

Oil & Energy Integrated Product

COVERING ALL YOUR INSURANCE NEEDS UNDER ONE POLICY, SIMPLIFYING THE INSURANCE BUYING PROCESS AND, MOST IMPORTANTLY, ENSURING THERE IS NO GAP IN COVERAGE.

With margins being squeezed and the price of oil being at a new low base, cost has never been more important. Our Combined Liability Policy offers an all-encompassing product with 'A' rated Insurers, who have unique experience and understanding of the exposures in the oil and gas sector and can, therefore, price competitively.

Paragon has worked with Ironshore International, via their Lloyd's Pembroke Syndicate 4000, to create a Combined Liability Insurance product for engineers and consultants in the following fields:
