SECTION 15 (DECLARATION)

DEFINITIONS OF TERMS USED IN THIS PROPOSAL FORM Senior Management' means, in accordance with the Insurance Act 2015: those individuals who play significant roles in the making of decisions about how the insured's activities are to be managed or organised. Under Section 4 of the Insurance Act 2015 an Insured must disclose all material circumstances known to its 'senior management' and those persons responsible for the Insured's insurance.

DUTY OF FAIR PRESENTATION Under English law, you owe a duty of disclosure to the insurer which includes your duty to make a fair presentation of the risk. A 'fair presentation' is one:

- o which clearly discloses all material circumstances which the insured's Senior Management, including persons responsible for the insured's insurance, know or ought to know following a reasonable search or which is sufficient to make the insurer ask questions about the risk. A circumstance is material if it would influence an insurer's judgment in determining whether to take the risk and, if so, on what terms. If you are in any doubt whether a circumstance is material we recommend that it should be disclosed;
- o which discloses information in a manner which is clear and accessible to a prudent insurer (i.e. no 'data dumping');
- o in which every material representation as to a matter of fact is substantially correct and every material representation as to a matter of expectation or belief is made in good faith.

Failure to disclose a material circumstance may entitle an insurer to:

- o in some circumstances, avoid the policy from inception and in this event any claims under the policy would not be paid;
- o impose different terms on your cover; and/or
- o proportionately reduce the amount of any claim payable.

This duty applies:

- o before your cover is placed;
- o when it is renewed; and
- o at any time that it is varied.

Your policy wording may also provide that this duty continues for the duration of the policy. You should contact us immediately for assistance if you are unsure whether information may be material, or if it comes to your attention that you may have not disclosed full and accurate information.

- Before signing this declaration please familiarise yourself with your 'Duty of fair presentation' which is outlined above. Please read the declaration carefully and sign at the bottom by ticking here, I/We declare on behalf of the Practice that the statements and particulars in this Proposal (and attachments if any) are true and that I/We have not misstated nor suppressed any material facts. I/We undertake to inform Underwriters of any material alterations to these facts occurring before completion of the Contract of Insurance. Signing this declaration does not bind the proposer or Underwriter to complete a contract of Insurance. We agree that we have a continuing obligation to notify insurers of any material matters during currency of policy.
